GEKO IRN 24VAC/12-24VDC

GEKO IRN 24VAC/12-24VDC

DESCRIPTION

The GEKO lights the entire scene evenly, eliminating hotspots and underexposures, for unbeatable night-time images and secure surveillance of the area.

The high efficiency heat sink body ensures maximum LED durability and protection against over-temperatures, whereas the front glass, made of special technopolymer, provides high infrared transmittance.

The illuminators are protected against electrostatic discharges.

The illuminator is available in versions 24Vac/12-24Vdc or 100-240Vac with integrated power supply.

GEKO is supplied with a wall-mount bracket that rotates horizontally and vertically.

The GEKO infrared illuminator guarantee is 5 years, while for GEKO with the white light is 2 years.
